YOUROPE 🕊️

On 28th March 2019 we had a Parliament discussion about human rights, specifically children's rights. We spoke about what a teacher and a student should do and shouldn't. We heard about 5 cases in which children's rights were disrespected and we solved those. Sometimes we agreed with each other's opinion, but we also disagreed. After this, I understood the importance of children's rights and the need to protect them.
