KINDERGARTEN

- ❖ From the age of 3
- ❖ Opening hours are usually from six in the morning to six in the evening, with some local variations. Children get four meals a day: breakfast, mid-morning fruit, hot lunch, and afternoon snack.
- ❖ They have special development activities and the preparation for school, starting school tales, songs, make different handcraft, drawing, PE.

PRIMARY SCHOOL

- ❖ Basic education in Hungary is provided by the general (primary) school (6th to 14th years old), during two cycles of 4 years: from 1st to 4th grades and from 5th to 8th grades. Children attend general (primary) school up to the age of 14, after which they have to choose another school.

ART SCHOOL IN OUR SCHOOL

- ❖ Work with drama and music faculties

SECONDARY SCHOOLS IN HUNGARY

- ❖ In Hungary there are secondary grammar, secondary technical and vocational schools.
- ❖ In secondary grammar school (gymnasiums) the students can start the study from 5th, 7th and 9th grades. Mostly those students choose it who plan to go on to higher education.
- ❖ Students who would like to learn a trade or profession besides passing their school-leaving exam go to technical schools.
- ❖ Vocational schools train skilled workers, such as plumbers, joiners and hairdressers.

UNIVERSITY OR COLLEGE

After the graduation the students can go to university or college. The degrees available at universities and colleges are as follows:

- ❖ Bachelor degree, particularly at colleges: 3-5 years
- ❖ Master degree: 4-5 years; medical universities: 6 years
- ❖ Doctoral degree, Ph.D, Doct. Of Liberal Arts (DLA): 3 years

Universities generally provide students with a master degree, and colleges with a bachelor degree.

Debrecen is famous from the different facultat of university and colleges.
