

## Project "YOUROPE: You in Europe"

### Third Learning Teaching Training Meeting Hungary, March 2019 Teachers' meeting – topics for discussion

#### a) Comments on the work done/to be done in Hungary:

- A37 Parliament Discussion about Human Rights
- A38 "Europe on my school wall": colocation of the previously selected photos in an emblematic wall of the hosting school as a symbol for the last mobility.
- A39 Games to stimulate self-confidence ability to talk in front of an audience
- A17 Mother-tongue activity (learning YOUR language)
- A40 Preparing online learning diaries

<http://www.enginestart.org/mydiary.html#.XleYij7TIV>

<http://diary.enginestart.org/note.jsp?#note:id=5629499534213120>

Google email of the project: yourope2017@gmail.com

Password: Erasmus2017

- Yourope train: people/innovations from each country that might change the future

- Dividing the report in parts and writing it before coming to Turkey

#### b) Comments on the work to be done between Hungary and Turkey

##### April 2019

- A41 Applying final surveys to students/teachers involved and the headmasters– awareness of cultural knowledge about partner countries and evaluation of the project:
  - a) adapting the previous ones – Romania?
  - b) writing conclusions on the report to see its evolution - Finland
- Selecting products for the European platform – Portugal

##### May 2019

- A25 Celebration of the Europe day (9<sup>th</sup> May), with an "Open day" in each school, in which the work done by the Erasmus+ students will be exposed and presented

#### c) Transnational Meeting in Turkey – 20<sup>th</sup> to 24<sup>th</sup> May

- Erasmus Day (our suggestion to Derya)
- A42 Final evaluation of the project with the **elaboration of the final report – deadlines:**
  - Portugal: 31/10/2019 (we can only submit the final report after all the other partners did so)
  - Finland:
  - Romania:
  - Hungary:
  - Turkey:

## Project "YOUROPE: You in Europe"

- 
- A43 Adjustment in the arrangements of the activities for the final dissemination

### **d) work AFTER Turkey:**

June 2019

A44 Presentation of the results and final products in the web of the project

A45 Implementing of actions for the sustainability of the project

A47 Filling in the EU platform – **each country selects their main products of the projects and sends to the coordinators (maximum until 28<sup>th</sup> June, but it can be earlier)**

A48 Designing of future collaborations

A49 Workshop for the local schools explaining/sharing our experience

**e) mobility tool** – difficulties, ..

**f) website, facebook page, eTwinning**

**g) dissemination:**

- verify correct links on the dissemination document (**which must be regularly updated**), contact/partnerships with various entities in regional or national terms;
- establishment of partnerships with local, regional or national institutions that might persist after the project has ended
- motivation for other colleagues to enroll in European projects
- ideas that might start with this project and be developed in future projects
